Contract information pack for electricity

Contract quotation for Orbit Group

Limited

We are pleased to provide you with a quote for your electricity supply.

At EDF we aim to provide a great value service and keep our prices competitive. With this in mind, please find enclosed your contract information pack which includes:

- This covering information sheet
- Price Schedule
- Quote Summary
- Notes and Glossary
- Agreement (Term Sheet & Terms and Conditions)
- (Where applicable) Third Party Intermediary Commission Schedule.

As you may be aware the wholesale cost of electricity is the main component of your prices and the UK electricity market is highly volatile. This means our quotes are subject to change and can be withdrawn without notice prior to the contract becoming legally binding. Unless otherwise indicated, terms used in this contract information pack bear the same meaning as are attributed to them in the Terms and Conditions, provided that if there is any conflict the provisions of the Terms and Conditions shall prevail.

If you would like to discuss any element of this documentation or have any queries, please feel free to contact us.

We hope to hear from you soon.

Yours sincerely

[REDACTED]
Account Manager, Mid Market

Key quote information

The quote within this pack is for a contract which has been quoted at Fully Inclusive Price Point. Please review the 'Quote Summary' within this pack for a summarised guide to the costs that are included and excluded in this quote.

The following information makes up this quote:

- Quote Date: 23/10/2025
- Earliest Supply Start Date: 01/04/2026
- Earliest Termination Date: 31/03/2027
- Term: 12 Months
- Terms and Conditions: Peace of Mind - Electricity T&Cs - v15.6 effective 31 03 2025
- Number of Sites: 1,754
- Number of MPANs: 1,761
- Volume Tolerance Threshold / Period: N/A
- Payment Terms: Shown on Price Schedule
- Value Added Product(s): Yes

Next steps

Please review the information contained within this contract information pack to make sure that it is correct. Please contact us if any amendments are required.

1. Check the company details have been captured correctly within all pages of this contract information pack
2. Check with EDF to see if this quote is still valid
3. Check that the details on the Price Schedule are as expected and that the consumption allocated to each supply is in line with your forecast for the duration of this contract
4. Make sure that the correct contract information pack is signed where more than one quote has been supplied. The Contract Quote Reference is located in the top left hand corner of each page

If you would like to enter into the Agreement with us on the basis of this quote, please sign and date the Term Sheet and return the signed Term Sheet to EDF by email. Please also ensure that the signed hard copy is posted to us at the address at the top of this sheet.

Please remember

- By signing and returning the Term Sheet you have confirmed that you have read and agreed to the Terms and Conditions
- The contract will only become legally binding once EDF has confirmed acceptance in writing of your returned signed Term Sheet
- To provide the necessary termination notice to your current electricity supplier if appropriate

Please note acceptance cannot be provided by telephone.
